Dear Mr. Kaali:

Site #: SV11265A
7500 DeSoto Ave, Winnetka, CA 91306

This will advise you that the Winnetka Neighborhood Council has passed a resolution in support our PLUM Committee's recommendation to approve your cellular antennae project on the grounds of Faith Lutheran Church. Our motion allows for the future request of a variance on the set back requirements. The motion passed is:

WNC-PLUM-020608-02: The WNC approves the plan to place a large cross like antenna in the location specified with a setback of 15 feet (a variance of 10 feet). This will include the addition rock landscaping at the bottom antenna and continuation of the landscaping scheme to cover the equipment facility.

At this time we are not aware of a permit number so we can not notify the Planning Commission directly. However, please feel free to present this documentation to the Committee upon request. It is our hope that the Planning Commission will take the Winnetka Neighborhood Council's recommendations into consideration when the project is brought before them.

Respectfully submitted,
WINNETKA NEIGHBORHOOD COUNCIL

JJ Popowich
President, WNC
