Dear Mr. Nouri:

On behalf of the Winnetka Neighborhood Council (WNC) I would like to thank you for attending our November 10, 2009 Board meeting. Our Board has expressed to me that they were happy to hear from you and several Board members expressed their pleasant dealings with your organization in the past.

During your presentation to the Board you requested our support for your April 4, 2010 Persian New Year Event. It is our understanding that you have held this event at Balboa Park over the last several years with the exception of last year. It is also our understanding that this year there are several other organizations who are also attempting to reserve Balboa Park on the same day for a similar event.

The Board has expressed their belief that since you have held this same event at the park in the past, and since there have been no reported problems it is only reasonable that you be allowed to do so again. Therefore the Board passed a motion in support of your application to reserve the park on April 4, 2010.

We hope that you understand the WNC is not with Councilmember Cardenas' district. However, we hope that Mr. Cardenas and the Department of Parks and Recreation will understand that this event is an event for the entire San Fernando Valley and the Persian population. Therefore we sincerely hope that they will take our support of this event in consideration in their deliberations to provide the appropriate approvals and permits.

We wish you the best of luck and hope that you will have a very successful event. If you have any questions please feel free to contact me at 1-818-648-6219.

Sincerely,

JJ Popowich
President
Winnetka Neighborhood Council
