Mr. Ron Smith
 President, Board of Directors
 Valley Village
 20830 Sherman Way
 Winnetka, CA 91306

Dear Mr. Smith:

The Winnetka Neighborhood Council (WNC) is a community based organization that is part of the City of Los Angeles. Our mission is to represent the people of Winnetka to ensure that their interests and their voices are heard by our various City leaders and departments. It is our duty to ensure that we educate the public, listen to their concerns and thoughts, and take appropriate action to ensure that their opinions are taken into account on important decisions. In addition, we believe as community leaders that we should take a direct and active approach to improving our community.

Throughout the years we have partnered with many state, city, and local organizations on projects ranging from median improvement to zoning laws and from services (or lack thereof) to safety concerns. Each of these partnerships is critical to our mission.

Among all of our partners, there are a few that stand out among the rest as special. Our partnership with Valley Village is one of these special enduring partnerships. Our partnership began before the WNC was an officially certified Neighborhood Council and lasts through the present. Year after year, week after week, your organization has welcomed us into your facilities and given us a place to call home. It is very realistic to say that the WNC would not be what we are today, or what we will be in the future, without your continued support. Therefore the WNC Board has passed the following resolution:

Whereas Valley Village has continually supported the WNC since before its inception;

Whereas Valley Village has continually provided us a meeting location day in and day out for years;

Therefore let it be resolved that the Winnetka Neighborhood Council, on this eighth day of February, in the year 2011, officially extends a well deserved thank you to Valley Village, its Board members, and staff for their continued support.

Sincerely,
 Winnetka Neighborhood Council Board
