RECONSIDERATION AND GRIEVANCE PROCESS

The Board may reconsider and amend its action on items listed on the agenda if that reconsideration takes place immediately following the original action or at the next regular meeting. The Board, on either of these two days, shall: (1) Make a Motion for Reconsideration and, if approved, (2) hear the matter and Take an Action.

If the motion to reconsider an action is to be scheduled at the meeting following the original action, then two items shall be placed on the agenda for that meeting: (1) A Motion for Reconsideration on the described matter and (2) a {Proposed} Action should the motion to reconsider be approved. A Board member who has previously voted on the prevailing side of the original action taken can only make a motion for reconsideration.

If a motion for reconsideration is not made on the date the action was taken, then a Board member on the prevailing side of the action must submit a memorandum to the Secretary identifying the matter to be reconsidered and a brief description of the reason(s) for requesting reconsideration at the next regular meeting. The aforesaid shall all be in compliance with the Brown Act.

PROCESS FOR FILING A GRIEVANCE

Any grievance by a Stakeholder must be submitted in writing to the Secretary of the Board of Directors. The Secretary shall then within no more than 30 days refer the matter to an ad-hoc grievance panel comprised of 3 Stakeholders who are randomly selected by the Council Secretary from a list of Stakeholders who have previously expressed an interest in serving from time to time on such a grievance panel. The Secretary will coordinate a time and a place, not to exceed 10 days, for the panel to meet with the person(s) submitting a grievance and to discuss ways in which the dispute may be resolved.

Thereafter, a panel member shall promptly prepare a written report to be forwarded by the Secretary to the Board to be heard at the next board meeting outlining the panel's collective recommendations for resolving the grievance. The Board of Directors may receive a copy of the panel's report and recommendations prior to any meeting by the Board, but the matter shall not be discussed among the Board members until the matter is heard at the next regular meeting of the Board pursuant to the Ralph M. Brown Act.

This formal grievance process is not intended to apply to Stakeholders who simply disagree with a position or action taken by the Board at one of its meetings. Those grievances can be aired at the Board meetings. This grievance process is intended to address matters involving procedural disputes, e.g., the Board's failure to comply with the Board's Rules or Bylaws, or its failure to comply with the City's Charter, the Plan, local ordinances, state law, and/or federal law.

In the event that a grievance cannot be resolved through this grievance process, the complainant has the right to appeal the matter to the Department of Neighborhood Empowerment for consideration or dispute resolution.
