San Marino, CA 91108

Dear Ms. Sandoval:

On September 24, 2017, the Winnetka Neighborhood Council (WNC) discussed the proposed latest iteration of the Westfield Promenade Project. While this project is not within the Winnetka NC boundaries it is a large regional project that has impacts beyond the borders of Woodland Hills and will impact the entire West Valley.

Recognizing this impact, the Winnetka NC passed the following resolution by a vote of 9-0-0:

WNC- 2017-091217-05: The Winnetka NC Board approves the PLUM Committee recommendation to submit a letter of continuing support for the Westfield Promenade project as it has been developed with the following comments:

- The PLUM Committee acknowledges that Westfield has considered and addressed previous suggestions, setting a model for how developers and NC's should work together
- Westfield is requested to add a center island along the middle of the interior street running north to south. This center island will provide a resting point for pedestrians crossing the street and improve safety
- Encourage Westfield to continue to work with local organizations (impacted NC's, DOT, FAST, CALTRANS, and the MTA) on traffic mitigation issues

The Winnetka NC continues our tradition of supporting Westfield as a valuable business partner in the West Valley. We look forward to be continually involved and updated as this project progresses. If you have any questions or concerns please feel free to contact me at 818-648-6219.

Sincerely,

JJ Popowich
President, and PLUM Committee Chair
Winnetka NC

C: Bob Blumenfield, Councilmember, Council District 3, Los Angeles City Council
